

## April Short Range Benchrest

Easter Sunday was a fine day for a shoot. Turn out was a little light, but the 7 shooters that did come up had a great day, sunny with calm winds. In precision centerfire, Glen Robinson ran unopposed to post a fine 200-18x with his 30BR panda, and for .22 precision Glen and Dave Loucks vied for top score with Glen coming out on top with a 250-11x. In the military world Dave shot a 200-17x with his 40x .22 trainer with John Spille edging out Jim McGuinness by 2x's with a 197-8x for second. Military centerfire top score was 196-10x by John Spille with his Swede, 2<sup>nd</sup> place was Paul Fielding followed by seldom seen Jim McGinnis, Mike English, and Gary Smith continue to improve.
