

APRIL SHORT RANGE SILHOUETTE

Our April shoot day was warm with light wind. It was a good day to shoot! We had another good turnout and good scores. Steve Frost shot 32 in Smallbore Rifle. We had a couple new shooters, Robert Butterfield and Don Tumbocan, get their feet wet. We hope to see Robert and Don again now that they know how the match is shot.

Our next match is on May 19th. Dust off that 22 or .30-30 and come on up and make the steel ring!
